

# Muse

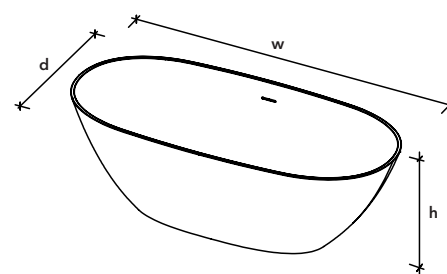

---

Muse bath is an ode to bathing. Noble and modest at the same time. Simple, straight outlines and generous on the inside. Balanced proportions and with a very comfortable support at both sides.

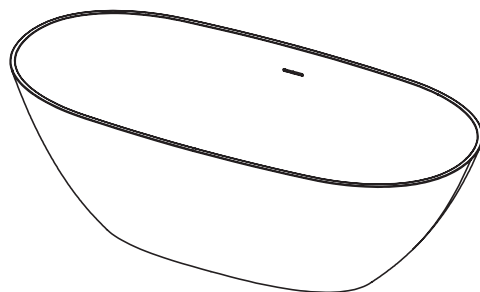

Muse is made in white Velluto®. Play with color and add another layer of luxury into your bathroom by using our unique Palette finish. Palette is easy to clean and UV resistant. Because of the availability in many colors, you can create a distinctive aesthetic appearance with our Muse bath. At home or in a hotel.
