

# Leaf

---

A modest design, that matches with all our basins.

At Not Only White we aim to keep it simple. But always distinctive. This is how our Leaf tap series was born.

What makes this design appealing is the 5cm long lever with rounded grip for easy use. The shape of the lever is inspired on the leaves of the Pagoda tree.

Design by Marike Andeweg

## Specifications

- deck mounted single lever mixer tap
- including 3/8" GAS warm and cold water fitting
- satin stainless steel

LF10122-SA  
h220mm
